
Dr. MUHAMMAD ZUBAIR

Associate Professor

Heriot Watt University (Zhubanov Campus), Aktobe, Kazakhstan

E-mail: muhammad.zubair_1@hw.ac.uk, **WhatsApp::** +92-3339402025 Cell No: +7079522542

Accomplished CS/IT/IoT/AI professional with a proven record of delivering innovative solutions and successful projects that address real-world challenges. Adept at leading initiatives that enhance academic excellence, research outcomes, and institutional development while creating positive societal impact. Experienced in managing large-scale projects and research collaborations, with strong leadership skills to mentor, guide, and maximize team productivity. Highly adaptable, technology-savvy, and a fast learner who thrives in dynamic environments. Excellent communicator and collaborator, effective in engaging with diverse academic, research, and professional communities to achieve common goals.

EDUCATION

<i>PhD in Communication and Information System (21 years)</i>	2011-2014
Faculty of Electronics and Electrical Engineering Dalian University of Technology, China	
<i>MS in Computer Science (18 years)</i>	2009-2011
Department of Computer Science, University of Peshawar, Pakistan Specialization in Computer Networks	
<i>Master in Computer Science (16 years)</i>	2005-2007
Department of Computer Science, University of Peshawar, Pakistan	
<i>Bachelor in Computer Science (14 years)</i>	2003-2005
University of Peshawar, Pakistan	
<i>Higher Secondary School Certificate (12 years)</i>	2001-2003
Federal Board of Intermediate and Secondary Education (FBISE), Islamabad, Pakistan	
<i>Secondary School Certificate (10 years)</i>	1999-2001
Federal Board of Intermediate and Secondary Education (FBISE), Islamabad, Pakistan	

RESEARCH EXPERIENCE

Research Interests

- Artificial Intelligence
- Internet of Things
- Wireless Communication
- Future Networks

Seminars/Workshops/Conferences

- Organized Two Days International Conference on "Impact of Research on Society" in collaboration with HEC on 12-13 February, 2025.
- Organized Three Days International Conference on "Integration of Social Sciences: Challenges and Pathways for Pakistan" in collaboration with Kohat University of Science and Technology, Kohat and Ilmiat Lahore on 15-17 November, 2024.
- Organized Two Days Hand-on workshop for Humanities scholars in collaboration with the Department of English at Khushal Khan Khattak University, Karak on 15-16 May, 2024.
- Organized one day training on Freelancing in collaboration with District Youth Office, Karak at Khushal Khan Khattak University, Karak on 14 May, 2024
- Organized Research Models and Poster Exhibitions in collaboration with the Department of Zoology at Khushal Khan Khattak University, Karak 9 May, 2024
- Organized One-day seminar on "Unveiling the nexus of AI and Fundamental Sciences: Exploring the Role of Artificial Intelligence in Physics and Chemistry" at Khushal Khan Khattak University, Karak on 21st March, 2024.
- Organized One-day seminar on "Unearthing Insights: Exploring the Role of AI in Geology" at Khushal Khan Khattak University, Karak on 19th March, 2024.
- Organized One-day training on "Enterprise Resource Planning System" at Khushal Khan Khattak University, Karak on 25th January, 2023.
- Organized One-day seminar on "Semester Regulations" at the Department of Management Sciences, Khushal Khan Khattak University, Karak on 1st December, 2022.
- Organized One-day seminar on "Semester Regulations" at the Department of Library and Information Sciences, Khushal Khan Khattak University, Karak on 29th November, 2022
- Organized One-day seminar on "Semester Regulations" at the Department of Geology, Khushal Khan Khattak University, Karak on 28th November, 2022
- Organized One-day seminar on "Semester Regulations" at the Department of English, Khushal Khan Khattak University, Karak on 23rd November, 2022
- Organized One-day seminar on Freelancing in "Digital Media: A career for youth to thrive" at Khushal Khan Khattak University, Karak on 11th August, 2022
- Organized Paigham-e-Pakistan Conference on Peace Building and National Integration at Khushal Khan Khattak University, Karak on 24th Mrch, 2022
- Organized Session on "Technologies for Electronics and Communication Sector) in Third Annual Invention to Innovation Summit KP, 2017 at Peshawar in collaboration with Institute of Research Promotion, Pakistan Science Foundation, PASTIC, and South Asian Triple Helix Association
- Participated in Consultative Workshop on "University-Industry Collaborative Interactions: Policy and Practical Implications for Pakistan" on 4 January, 2017, Islamabad
- Organized Two Days workshop on "Mining Safety, 2017" at Kohat in collaboration with SMEDA
- Organized One Day workshop on "Marketing Management, 2017" at Khushal Khan Khattak University, Karak in collaboration with SMEDA
- Organized Session on "Technologies for Electronics and Communication Sector) in Second Annual Invention to Innovation Summit KP, 2016 at Peshawar in collaboration with Institute of Research Promotion, Pakistan Science Foundation, PASTIC, and South Asian Triple Helix Association

- Organized Two Days Workshop on “Olive Grafting, 2016” at Lower Dir in collaboration with Small Medium Enterprise Development Authority (SMEDA), Pakistan Oil Seed Development Board(PODB) and Olive Grower Association Dir.
- Organized Two Days Workshop on “freelancing, 2016” at Khushal Khan Khattak University, Karak
- Organized Workshop on “Intellectual Property, Innovation, and Commercialization, 2015” at Khushal Khan Khattak University, Karak
- Attended training workshop on Intellectual Property Rights held on Oct 16-17, 2015, organized by HEC and IM Sciences, sponsored by World Bank.
- Attended Consultative Workshop on Commercialization of Technologies: Challenges & Way Forward held on 3rd November, 2015 at University of Haripur, KP.
- Presented “Are We Ready for Future Networks? Vision and Research Challenges of Future Networks”, ETIT- 2015
- Presented “*Secure Distributed Mobility Management based Future Networks: A Landscape of Competing Approaches*” Khushal Khan Khattak University, Karak-2015
- Presented “*Secure Distributed Mobility Management based Future Networks: A Landscape of Competing Approaches*” Sarhad University-2015.
- Presented “*Secure Distributed Mobility Management Based Future Networks*”, ETIT-2013.
- Presented “*Enhanced EAP-Based Pre-Authentication in WiMAX Networks*”, School of Information and Communication Engineering, Dalian University of Technology, China, Jan, 2013
- Presented “*Intensifying QoS and Security in Next Generation Network*,” ETIT-2012.
- Presented “*Authentication Mechanism in NGNs*”, School of Information and Communication Engineering Dalian University of Technology, Dalian, China.
- Presented “*Providing end to end QoS in NGNs using Combined SIP HMIPv6(CSH)*”, IEEE Conference ICCNIT-2011

PROFESSIONAL EXPERIENCE

Heriot Watt University (Zhubanov Campus), Aktobe, Pakistan

8, Sep, 2025 – Present

Associate Professor

- Research and Teaching

Khushal Khan Khattak University, Karak, Pakistan

18, May 2015 – 07 Sep, 2025

- | | |
|--|--|
| <i>a. Advisor to the Vice Chancellor</i> | 16 May, 2025- 07 Sep, 2025 |
| <i>b. Controller of Examinations</i> | 07 Oct, 2019 – 18 Nov, 2023 |
| <i>c. In-charge Directorate of Online Teaching</i> | 20 May, 2020- 07 Sep, 202 |
| <i>d. Director ORIC (Office of Research, Innovation & Commercialization)</i> | 29, Feb 2024 - 07 Sep, 2025
22, Aug 2015 – 09-Feb, 2017 |

17, April 2019- 07, Oct, 2019

Sarhad University of Science and Information Technology, Peshawar, Pakistan

Jan 2015 – 17 May, 2015

Assistant Professor

- Research and Teaching

Pakistan Air Force (Fazaia) Degree College, Peshawar, Pakistan

Head of Computer Science Department (Aug 2008 – Aug 2011)/ Teacher (Feb 2006- Aug 2008)

Held multifaceted responsibilities to configure, install and administer network infrastructure and telecommunications systems that supported staff of 250 employees and 2500 students. Established net IT policies, which defined acceptable use of IT assets within the organization. Fulfilled administrative responsibilities including the additions and changes to user desktop, email and PBX accounts. Installed and configure servers including RAID1 & 5 arrays in addition to facilitating backup & restoration using NT utility. Configured and monitored status of printers utilizing HP jet admin in addition to upgrading printer firmware and handling installation of other peripherals. Actively provided desktop, configuration and phone support for software and hardware. Carried out full installation of Cisco routers and cabling for routers, switches, hubs and new workspaces.

- Three Labs each with 30 nodes were working under my supervision. We were running Both Linux (RHEL4) and Windows (2003 Advance server) machines for Web caching and domain controller, Exchange server respectively.
- Successfully engineered a Virtual Private Network (VPN) solution utilizing Windows 2000 Server.
- Effectively consolidated multi-domain Windows NT network into a single, homogeneous domain.
- We have established a LAN controlled by a Cisco 4000m series router and Cisco 2900 switches with efficiently working Access Controlled List.
- We were also connected with Pakistan Air Force Headquarters which are controlling all Fazaia colleges Database Software.
- Implementation of E-Testing in Fazaia Chains of Schools/Colleges in Pakistan.
- Teaching to Graduate Students.
- Supervision of Computer Science Department staff.
- Assessment and evaluation of Computer Science Department Staff.

Pakistan Literacy Development Center (PLDC)

Nov 2005 - March 2006

Project Manager

- Project Management and Training employees practically in Labs

Projects

- **Khushal Khan Khattak University, Karak**
 - **Khushal Karak: Build Smart District Project**

KHUSHAL KARAK- The Project Build Smart District initiated by me has approved by the competent forum and is a step to bring a revolution in society through use of Information and Communication Technologies (ICTs). Under this project, the university has initiated ICT enabled

HUBs at local levels with the coordinated involvement of University, Students, Industry, Technology Partners, and Public Sector Departments at District level. Project is helping to pool the University strengths and resources in a target area and to utilize in a way like Entrepreneur youth/students, to make a ' Success Story '.

- **Khushal Centre for Chinese Language and Culture**

KCCCLC has got approval in response of China Pakistan Economic Corridor. KCCLC covers a wide range of subjects of interest and intensive research to increase awareness about Chinese Language, socio-cultural, economic, and political system; promote bilateral relations, and most importantly provide strategic guidance in pursuit of common objectives both regionally as well as internationally. Pakistan China friendship has a bright future and CPEC is a step to make its stronger. This center is contributing in terms of capacity building and focusing to resolve Environmental impact of the CPEC. Further, Language is a bridge that connects people and this Centre would play a key role in bringing the people of China and Pakistan close.

- **Intellectual Property Awareness Program (IPAP)**

IPAP has been approved by the competent forum and is a step to raise awareness of the protection of Intellectual Property Rights through patents, copyright, trademarks and industrial designs among students, faculty, and staff. The said initiative is helping to protect and encourage innovations that are taking place in Khushal Khan Khattak University. The University organizes different sessions to make aware the aforementioned audience about legal coverage while enforcing the trademark, copyright and patent infringement laws.

- **Olive Grafting, Plantation and Value Chain Program in District Karak**

Khushal Khan Khattak University, Karak in collaboration with SMEDA and PODB successfully implemented a comprehensive community mobilization program regarding olive grating, plantation and value chain. Olive Pruning and Orchard Management trainings are conducted. This resulted a very positive change in community and started demanding olive grafting and plantation. Total of 1000 Plants are grafted at Tarki Khel and Speena of District Karak and till date 80% success are reported. Additionally, the olive orchards are initiated and around 1000 plants are planted at Latamber area, Khushal Khan Khattak University, karak, and plantation at other areas of District Karak are in process. This initiative is providing the base for our research in smart agriculture.

- **IoT Based Interactive Controlling of Campus Devices**

The project has been successfully implemented and aimed to manage all the electric/electronics devices remotely through smart phones. The management is user oriented and by devices themselves. By the user oriented means, an authenticated user will manage devices through app. And by the devices themselves means, different sensors will be used to sense the environment and as per analysis of data in clouds, devices will take decision.

- **Pashto Speech Recognition System to Control Computer Programs**

This project has been successfully implemented and aimed that the user will be able to interact with the computer and control programs remotely through Pashto language. Speech recognition technique has been used to recognize the commands given in Pashto and then convert them into understandable form provided to the software (for performing the action) as input. The user will have freedom from clicking the menus, button etc and can manage the Computer programs remotely. Pashto dictionary is developed to assist the system in recognizing the Pashto vocabulary.

- **University Management system/ERP**

Under my leadership, University Management System/ERP for Khushal Khan Khattak University, Karak has been developed and successfully implemented. The system has effectively streamlined the academic and administrative activities. The system has the capacity to smartly manage the whole life cycle of the University.

- **Prime Minister Youth Skill Development Program**

Being Project Coordinator, the program has been successfully concluded Four Batches at Khushal Khan Khattak University, Karak. Under this project youth has been trained in latest technologies to make them skillful.

- **Smart Water Channelization**

A prototype has been developed for residential area to channelize water in a smart way in order to minimize water wastage. An intelligent sharing mechanism has been introduced to get the maximum benefits from the available water resources.

- **Air Quality Monitoring Gadget (AirQuaMG)**

A product has been developed in collaboration with Directorate of Science and Technology (DoST), Government of KP to monitor different toxic elements in Air. AirQuaMG has also been installed at different places in Peshawar, and will be extended to other places in near future.

- **IoT based Sanitization Walkthrough Gate**

A prototype has been developed that can smartly do sanitization at entry points of any organization. Three Walkthrough gates have already been deployed at two public sector Universities such as Fata University and Khushal Khan Khattak University, Karak.

- **Digital Learning and Skill Development Initiative by HEC**

Being Focal Person, the program has been successfully launched and concluded at Khushal Khan Khattak University, Karak.

- **Pakistan Air Force, Peshawar, Pakistan**

2008-2011

- My job was to establish a secure and reliable network. I have managed a 90 node network for 40 days in which candidates were registering and giving online test.
- SIMS (Student Information Management System) Management.
- I have assigned to implement E-Testing in Fazaia Chains of School/Colleges.
- Implementation of **EUREKA** software in Pakistan Air Force Chains of Schools and Colleges.
- Arranged and Supervised In-Service Teacher Training program summer 2007 in PAF Degree College, Peshawar
- Arranged and Supervised In-Service Teacher Training program summer 2008 in PAF Degree College, Peshawar.
- Arranged and Supervised In-Service Teacher Training program summer 2009 in PAF Degree College, Peshawar.
- Arranged and Supervised In-Service Teacher Training program summer 2010 in PAF Degree College, Peshawar.

- **P.A.F Teacher Training Institute, Islamabad** 2010-2011
 - Suggested and made a frame work to implement Oxford Syllabi for Computer Science in FAZAIA Chains of Schools/Colleges in Pakistan.
 - I have assigned to make Computer Science Papers for exams.
- **Library Information Management System, Central Library University of Peshawar** 2007-2008
 - Coding and Designing of software for central Library University of Peshawar.
- **Intel Education, Pakistan as Master Trainer** 2007-2008
 - I trained staff members of my institution (Pakistan Air Force Degree College Peshawar, Pakistan) about using computer technologies which includes Microsoft PowerPoint, Microsoft Word, internet and digital encyclopedia. Then I have trained them how to use these technologies in teaching practices.

Supervision

PhD PhD Scholars	Two Graduated
MS Scholars	Six Graduated
Undergraduate	Thirty Graduated

Established Industry/Academia Linkages

- Higher Education Regulatory Authority, Khyber Pakhtunkhwa, Pakistan
- Ilmiat, Lahore
- Stanley Pharmaceuticals Pvt Limited
- Geological Survey of Pakistan
- National Vocational and Technical Training Commission (NAVTTTC)
- KP Oil and Gas Company Limited
- The Bank of Khyber
- Oil and Gas Company Limited (OGDCL), Pakistan
- Small & Medium Enterprise Development Authority (SMEDA)
- Olive Grower Association Dir
- Pakistan Oilseed Development Board
- Gypsum Industry, Karak
- Wuhan University of Technology, China
- Dalian University of Technology, China
- Ghulam Ishaq Khan Insititute (GIK), Pakistan

Achievement

- Selected as Member of Task Force on Artificial Intelligence by the Planning Commission, Ministry of Planning, Development and Special Initiatives, Government of Pakistan
- Awarded Quaid-e-Azam Gold Medal Award, 2023
- Selected as Member of Task Force on Artificial Intelligence by the Planning Commission, Ministry of Planning, Development and Special Initiatives, Government of Pakistan

- Got the title of Entrepreneurial Scientist along with the inclusion to the list of Top Twenty Entrepreneurial Scientists by South Asian Triple Helix Association (SATHA), published in the Book “Entrepreneurial Scientists-serving Science and Society”
- Established Directorate of Online Teaching (DoT) in Khushal Khan Khattak University, Karak
- South Asian Triple Helix Association (SATHA) Award in 3rd Invention to Innovation Summit KP, 2017
- Technology Award for the project “IoT based Interactive Controlling System of Devices” in 3rd Invention to Innovation Summit KP, 2017
- Technology Award for the project “Pashto Speech Recognition System” in 3rd Invention to Innovation Summit KP, 2017
- Technology Innovation Award in Second Annual Invention to Innovation Summit KP, 2016
- Established Office of Research, Innovation & Commercialization at Khushal Khan Khattak University, Karak
- Established Khushal Business Incubation Centre at Khushal Khan Khattak University, Karak
- Twice appreciated by the Syndicate, Khushal Khan Khattak University, Karak for initiating business startups.
- Obtained Chinese Government Scholarship for PhD
- Selected in youth delegation Pak-China Youth Exchange Program by the Ministry of Youth, Government of Pakistan.
- Best employee for the year 2008-2009 by Base Commander P.A.F Base Peshawar.
- Position Holder in Master of Science - Computer Science
- Position Holder in Bachelor of Science - Computer Science

Membership

- Member of Task Force on Artificial Intelligence by the Planning Commission, Ministry of Planning, Development and Special Initiatives, Government of Pakistan
- Elected Member of Syndicate, Khushal Khan Khattak University, Karak
- Member of Academic Council, KKKUK
- Secretary Annual Report Preparation Committee, KKKUK
- Secretary University Infrastructure Need Assessment Committee, KKKUK
- Secretary Research Journal Committee, Khushal Khan Khan Khattak University, Karak
- Coordinator Dalian University of Technology (DUT) Pakistan Alumni Association
- Vice President International Students Association, Dalian University of Technology, China
- Chairman, International Voices, Dalian University of Technology, China
- Member, IEEE
- Member of Doctor’s Association Dalian University of Technology, Dalian China.
- Member of Future Youth Group Pakistan as General Secretary for Khyber Pukhtunkhwa.
- Member of Career Management Society Pakistan.
- Former Member of IT Society University of Peshawar.
